Delivery territory and order economics

Zephyr Market

Zephyr Market is a fictional grocery retailer operating one branch in Khalda, Amman. This delivery policy is effective 15 October 2026 and replaces any earlier Zephyr delivery tariff. All amounts are JOD; distances are measured from the branch.

Reference item	Recorded value
Service radius	8 km
Minimum merchandise subtotal	12.00 JOD
Standard delivery fee	2.25 JOD
Free-delivery threshold	30.00 JOD
Daily delivery window	10:00-21:00
Last same-day order	19:30

Rules and interpretation

The free-delivery threshold uses the merchandise subtotal after discounts, before the delivery fee. An order at exactly 30.00 JOD qualifies. An order below 12.00 JOD is not accepted for delivery. Delivery is not offered beyond the service radius, even when the order qualifies for free delivery. Expected arrival is 75-105 minutes. There is no express option. Delivery fees earn no loyalty points.

Worked example / decision note

A 24.00 JOD merchandise order costs 26.25 JOD including delivery. A 30.00 JOD order costs 30.00 JOD. Branch supervisor Mira Nasser may approve a refund for an incorrect delivery charge; staff cannot invent a different delivery rate.
