Rules and interpretation

Points are earned on eligible merchandise spend after discounts and before delivery fees. Fractions below one JOD are ignored for earning in this fixture. Reward redemption does not earn new points on the redeemed value. Returns reverse the points attributable to the returned merchandise. Points cannot be exchanged for cash or transferred between accounts.

Worked example / decision note

An eligible 18.75 JOD merchandise purchase earns 36 points. A shopper with 600 points has a nominal 3.00 JOD reward, but on a 10.00 JOD merchandise purchase the 20% cap limits redemption to 2.00 JOD, consuming 400 points. The remaining 200 points stay in the account.
